MYSORE CITY MUNICIPAL PRESIDENT'S OFFICE,

Dated 15th march 1900 ~~189~~.

To

*The Secretary to the Government of Mysore,*
*Revenue and General Departments.*

SIR,

I have the honor to forward a copy of the Palace Controller's letter no 489 dated 6th march 1900, requesting the grant of the land coloured in red ink, in the accompanying sketch, in order to extend the compound of the Urs Students' Home and also promising to pay the cost of the building which is now standing on that site

A portion of this site was given to Mr Ananthrajiah as he promised to build a bungalow; but it was resumed as it was considered undesirable to have any private building by the side of th

the Law Courts. The amount of Compen-
sation now claimed by my Avadharajiah
for the out-houses constructed by him,
comes to Rs 1807-.-.. as per valuation of
the Executive Engineer, Mysore Division; but
he claims more

Now no funds are available in
the Municipality to meet this new demand;
and the Palace has come forward to pay
for the building provided the whole site is
given free of cost It is a very large
plot of ground and not possible for the
Municipality to have it enclosed and keep
it clean. I would therefore recommend
the grant of the same to the Palace on
condition of their raising no other build-
-ing, enclosing the site, and also paying th
of the existing out-houses which may

may be used by the Palace Authorities ~
as quarters of the Superintendent of Unsoo ~
Students' Home.

Under these circumstances, I
request you will kindly obtain the Sanction
of the Government for the Same.
